## ENGLISH

### COURSE OUTLINE

#### INTRODUCTION

English has been gaining greater importance for global communication. It is no longer just a library language but a language of opportunities. Considering the requirement of the students to face the challenges of the competitive world the school has introduced skill-based learning which provides classroom environments where independence, thinking skills, collaboration and active learning are developed at the same time as knowledge is acquired.

The **Fourth Standard** Syllabus Includes

- **Listening:** Activities like listening to phonemes, questions related to maps, quiz, conversations and stories help the students to improve their listening and comprehension skill.
- **Speaking:** Story narration, summarizing stories, role play, impromptu speaking, anchoring and so, on help the students to communicate effectively.
- **Reading:** Reading words with proper pronunciation, reading sentences, passages and novels with appropriate stress, intonation and with correct pauses help the students to read fluently and to comprehend the text.
- **Writing:** Writing words, framing sentences, creating paragraphs, letter writing, story writing, diary entry and so on helps to strengthen the students' writing skill.
- **Grammar:** The Grammar Tree provides a good number of exercises that help the students to practice grammar and develop the language skills.

#### OVERALL OBJECTIVES

The main objectives of teaching English Language to the students for the year 2022-2023 are:

- to enable students, speak English fluently and accurately.
- to read the text with proper pronunciation, intonation and stress.
- to improve the writing skills using appropriate grammatical structures.
- to develop students' ability of comprehension, expression and appreciation of the language.
- to enhance the students' vocabulary to their proficiency in reading, listening to general texts, writing and speaking.
- to help students understand the school subjects and matters that life brings to them.

#### PREREQUISITES

The Fourth standard students must have the basic competence of language learnt in the previous classes.
